Dear Ms. Kump-Mitchell:

Enclosed is the quarterly report for the quarter ending June 30, 2008 as required in paragraphs 91 through 94 of the Corrective Action Abatement Order on Consent, Order No. 99-HW-002 (AOC). The following summarizes the activities completed during the quarter.

Description of Work Completed During the Quarter:

The RCRA Facility Investigation Report was submitted to the MDNR on April 10, 2008. On June 26, 2008, Modine received comments from the MDNR as well as the USEPA in relation to the risk assessment portion of the report. Modine is in the process of preparing a response to these comments as well as submitting an environmental covenant for MDNR review.

Summaries of Findings, Data, Etc.

Nothing new.

Summaries of Problems or Potential Problems and any Corrective Measures Implemented:

No problems were encountered during the quarter.

Projected Work for the Next Reporting Period:

None anticipated.

Instances of Non-compliance with the Requirements of the Order:

There were no known instances of non-compliance with the requirements of the Order during the quarter.

If you have any questions on this report, please contact me at (262) 636-1223 or at the letterhead address.

Sincerely,

Gary A. Fahl
Vice President, Environmental, Safety & Security
